I am emailing you under the advice of someone I spoke to at your department. I am located in Camden, AR and am concerned that a local cosmetologist is not wearing a facial covering and is not requiring her clients to wear a face covering. I know multiple other salon owners in town, and all of them are still enforcing the guidance. Several salon owners that I know have told them that their customers get angry at them and leave saying they will go to the other shop due to the fact that she doesn't require the mask. The name of the shop is "Beards and Shears" and is located at 1278 Cash Road SW in Camden. I appreciate your time and consideration of my concern.

If you want to contest this violation or the proposed penalty, please sign the enclosed Hearing Request (page 2) and return it to the Section's office on or before the close of business on 1/8/2021. You will receive a Notice of Hearing to appear at the next CTAC meeting.

Re: Violation Notice
Violation #: 20-402

Dear Licensee:

As you know, you were recently visited by a Cosmetology Inspector and have been cited for one or more of the following violations: Enforcement, Consumer Information and/or Health & Safety according to Arkansas Department of Health Cosmetology Practice Act 17-26-401 and Arkansas Department of Health No. 5.1 A - (Directive for Cosmetology Establishment). The specific violations are detailed on the inspection sheets that have been left by your inspector. Under the established Arkansas Department of Health Cosmetology Section policy, the total proposed penalty for this violation(s) is **\$50**.

Under Arkansas law, you are subject to disciplinary action by the Cosmetology Technical Advisory Committee ("CTAC") for this violation. If the matter goes to a hearing, the CTAC may revoke or suspend your license to practice, assess a fine of up to \$1000 per violation or any combination.

If you would like to resolve the matter immediately without a hearing, please sign the enclosed Consent Agreement (page 2) and return it to the Section's office with a check or money order for the proposed penalty on or before the close of business on 1/8/2021. The consent agreement will be presented to the CTAC for their approval at the next scheduled meeting.

If you want to contest this violation or the proposed penalty, please sign the enclosed Hearing Request (page 2) and return it to the Section's office on or before the close of business on 1/8/2021. You will receive a Notice of Hearing to appear at the next CTAC meeting.

If you have not paid the proposed penalty and you do not appear for a hearing, the CTAC will proceed in your absence.

Sincerely,

If you would like to resolve the matter immediately without a hearing, please sign the enclosed Consent Agreement (page 2) and return it to the Section's office with a check or money order for the proposed penalty on or before the close of business on 1/8/2021. The consent agreement will be presented to the CTAC for their approval at the next scheduled meeting.

If you want to contest this violation or the proposed penalty, please sign the enclosed Hearing Request (page 2) and return it to the Section's office on or before the close of business on 1/8/2021. You will receive a Notice of Hearing to appear at the next CTAC meeting.

If you have not paid the proposed penalty and you do not appear for a hearing, the CTAC will proceed in your absence.

Waive violation

Dear Licensee:

As you know, you were recently visited by a Cosmetology Inspector and have been cited for one or more of the following violations: Enforcement, Consumer Information and/or Health & Safety according to Arkansas Department of Health Cosmetology Practice Act 17-26-401 and Arkansas Department of Health No. 5.1 A - (Directive for Cosmetology Establishment). The specific violations are detailed on the inspection sheets that have been left by your inspector. Under the established Arkansas Department of Health Cosmetology Section policy, the total proposed penalty for this violation(s) is \$50.

Under Arkansas law, you are subject to disciplinary action by the Cosmetology Technical Advisory Committee ("CTAC") for this violation. If the matter goes to a hearing, the CTAC may revoke or suspend your license to practice, assess a fine of up to \$1000 per violation or any combination.

If you would like to resolve the matter immediately without a hearing, please sign the enclosed Consent Agreement (page 2) and return it to the Section's office with a check or money order for the proposed penalty on or before the close of business on 11/20/2020. The consent agreement will be presented to the CTAC for their approval at the next scheduled meeting.

If you want to contest this violation or the proposed penalty, please sign the enclosed Hearing Request (page 2) and return it to the Section's office on or before the close of business on 11/20/2020. You will receive a Notice of Hearing to appear at the next CTAC meeting.

If you have not paid the proposed penalty and you do not appear for a hearing, the CTAC will proceed in your absence.

Sincerely,

Teri Dwyer
