**Subject:** Complaint Form [#233]

Email: \* [marinevet91@yahoo.com](mailto:marinevet91@yahoo.com)

Date of Occurrence: \* Monday, February 1, 2021

Time of Occurrence: \* 7:00:00 PM

Name of Establishment/Individual: \* Salon Five Zero Four

Address: \*   
504 Garrison Avenue  
Fort Smith, Arkansas 72901  
United States

Type of business: \* Cosmetology Establishment

Briefly Describe the violation below: \* The stylists and clients in this salon were not wearing masks while they were getting their hair services done. There were videos and pictures of it posted on social media (Instagram). This isn't the first time this has happened. They have been tagged in multiple pictures and videos on social media where their stylists and clients are not wearing masks. To not follow the guidelines set by our state is honestly just ridiculous, but to put it out into the world through social media shows they have no regard for authority and keeping our community members healthy and safe.
