The school has a policy that all students will wear masks 3-12 for this school year.

So if My child decides to not wear a mask will that be up to her? That is what her and I want to know. She has told me she does not want to wear them anymore and I will not make her wear one.

Hey Amy, I hope you are well.

The board passes polices that will be in effect for the entire school year. Currently that does include masks. It's hard to make a case for changing something that has certainly worked as we are one of the few schools in Arkansas and even US who has not had to pivot to all virtual for a period of time.

I hope you are well.

When and if Asa ends his mask mandate will students and staff be able to decide for them self if they will wear masks ?
