

Re-Open Arkansas endorses State Representative Mary Bentley House District 54

As one of the few consistent voices for liberty in the Arkansas House, Mary Bentley has fought tirelessly for individual rights and medical freedom. From the beginning of the pandemic, she took on the bureaucrats by advocating for early treatment options and visitation for hospital and nursing home patients. She stood firmly with her constituents against unconstitutional mask and vaccine mandates and governmental overreach. While many candidates purport to have conservative pro-freedom credentials, Mary Bentley possesses the voting record to back it up. If re-elected, we are confident that she will continue leading the fight for smaller government, lower taxes, and complete individual and medical freedom for all Arkansans, including the unborn. Reopen Arkansas formally and enthusiastically endorses Representative Mary Bentley for re-election to the Arkansas House.

Bentley policy positions important to Reopen Arkansas:
