**Do you, or does anyone in your household, have a financial or employment interest in any healthcare related business?:**

No

**Please describe.:**

My primary opponent does!

**Should the state be advertising and otherwise promoting the vaccine using taxpayer dollars? Why or why not?:**

No b/c everyone knows about it. Everyone can make their own choices

**Should the new legislature re-elect or replace current leadership?:**

Replace current leaders

**Did ADH and ABC have authority to issue the mask-related fines to small businesses last year?:**

No

**Should the legislature force ABC and ADH to return the mask-related fines collected last year?:**

Yes

**What is your position on SB 730 (the Garner bill)?:**

For

**What is your position on SB 731 (the Ballinger bill)?:**

For

**What is your position on SB 732 (the Blake Johnson bill)?:**

For

**What is your position on SB739 (the Hammer bill)?:**

For

**Do you believe the state has to respect and otherwise enforce unconstitutional federal mandates? At what point does state sovereignty apply?:**

If the feds want to pursue an illegal mandate, the state should not participate. The feds were largely rebuffed in court on their illegal mandates.

**Are you, or is anyone in your household, a public school teacher or otherwise employed by a public school?:**

No

**Do you believe that CRT, or some form of it, is currently being taught in Arkansas schools?:**

Yes

**What is your position on CRT?:**

Against it. (I'm a law professor. I don't know whether that's what you're asking above.)

**What is your position on school choice? If you support it, what form do you support (e.g. complete choice, limited vouchers, choice limited to other public schools)?:**

Pro. Full choice.

**Should any abortions be legal in the state of Arkansas?**

**Please explain.:**

I'm pro-life.

**Are you in favor of the concept of limited government, and do you commit to support the Republican Party platform as written?:**

Yes, 100%

**Do you support reducing / eliminating the state income tax? If so, what process would you support to accomplish it (e.g. gradual reduction, drastically cut state government, increase sales or property tax)?:**

Yes. Cut it as fast a possible.

**Have you accepted (or would you accept) money from Tyson, Walmart, the state chamber, or the hospital lobby?:**

No

**What bill should the legislature pass immediately to do the most good for Arkansans?:**

Freedom bills: lower taxes & less government intervention in our lives.

**Why did you choose to run specifically for this office and not another one?:**

This my community. I want to represent my community.

**On which legislative committee are you most interested in serving, and why?:**

Judiciary, education, state agencies, budget. I'm looking to bring my knowledge & experience in these areas to the legislature.

**What is your top priority once in office?:**

Increasing individual rights.

**Is there anything else you would like to share?:**

My primary opponent works for Big Pharma & my general election opponent is a leftist Democrat who voted against the tax cut.
