

Re-Open Arkansas endorses Col. Conrad Reynolds US House (AR-2)

The phrase “RINO Remover,” has become synonymous with Colonel Conrad Reynolds. For over a decade, Reynolds has been challenging corrupt politicians who purport to be Republicans but vote as Democrats on important issues. Not only did incumbent French Hill vote to certify Biden and establish the January 6th Commission, but he consistently maintains an “F” liberty score, as verified by multiple organizations. Reynolds will better represent Central Arkansans by taking the America First agenda to Washington D.C.: completing the wall, establishing congressional term limits, balancing the federal budget, and reducing the overall tax burden. Reynolds has assured us that he will consistently vote for maximum liberty and in accordance with America first principles. Reopen Arkansas delightedly endorses Colonel Conrad Reynolds for Congress, and we urge our members to support his campaign.

Reynolds policy positions important to Reopen Arkansas:
