**REPUBLICAN PARTY OF ARKANSAS
RESOLUTION TO REJECT THE CERTIFIED RESULTS OF THE 2020
PRESIDENTIAL ELECTION**

WHEREAS, We believe that the 2020 election violated Article 1 and 2 of the US Constitution, that various secretaries of state illegally circumvented their state legislatures in conducting their elections in multiple ways, including by allowing ballots to be received after November 3, 2020. We believe that substantial election fraud in key metropolitan areas significantly affected the results in five key states in favor of Joseph Robinette Biden Jr.

BE IT RESOLVED, We reject the certified results of the 2020 Presidential election, and we hold that acting President Joseph Robinette Biden Jr. was not legitimately elected by the people of the United States.

BE IT FURTHER RESOLVED, We strongly urge all Republicans to work to ensure election integrity and to show up to vote in November of 2022, bring your friends and family, volunteer for your local Republicans, and overwhelm any possible fraud.

Republican Party of Arkansas Secretary, Julie Harris
